# A Pan-Canadian Framework

for the assessment and Recognition of Foreign Qualifications

- A Pan-Canadian Framework for the Assessment and Recognition of Foreign Qualifications (Framework)
- Framework Principles
  - Fairness
  - Transparency
  - Timeliness
  - Consistency

# ● Labour Market Framework for Yukon Immigration Strategy

- To help create an inclusive and adaptable labour market that meets the demands of a strong, diversified economy and provides opportunity for a better quality of life for Yukoners
- Support a responsive and sustainable approach to Yukon Immigration

# ● Yukon FCR/FQR

- Develop an innovative FCR Strategy for Yukon
- Develop a Yukon version of the Working in Canada Tool  
[http://www.education.gov.yk.ca/pdf/workbook\\_yukon.pdf](http://www.education.gov.yk.ca/pdf/workbook_yukon.pdf)
- Develop a model for sustainable bridge-to-work program in a targeted occupation as identified in the Pan-Canadian Framework
- Establish a service agreement with BCIT-International Credential Evaluation Service

# Additional Yukon FCR/FQR Initiatives

- Conduct a survey of Internationally Trained Workers
- Deliver the Yukon Accountant Bridging Program
- Establish Career Counselling for Internationally Educated Individuals
- E-loan Program
- Develop Yukon-specific Factsheets for In-Demand Occupations as per Framework and Yukon labour market
- On line pre-arrival support services
- Promote FQR process with local employers
