

New Vision Steering Committee Meeting

April 1, 2016 Department of Education Room One

ATTENDANCE

Regrets: Sandra Henderson, Tosh Southwick, Robyn Lord, Jill Masson

Minutes: Lori

1. Welcome

Judy presented a brief overview of where we are at now.

At the request of Tosh, she presented the K-12 BC Curriculum/ an overview and key highlights.

2. Review of revised minutes from February 19, 2016 meeting

Decision: Approved

3. School Growth Plan & Review

Judy went over the School Growth Plan and Review process with the committee.

The goal is to make data informed interventions, explaining that “small is good” when selecting goals. How do we refine our work? Why is this not working?

How can we help students that leave or that we lose between grade 10-11?

We have teachers that could give insight into this.

4. SGP & Questions & Concerns

Who sits on the review teams? (Some comments made that not enough parent or school council representatives.) Judy to talk to Simon.

All of these documents and reports need to be consistent with the New Vision/ there must be alignment. Who will do this?

By June we need to have established how this will roll out. Needs to be doable, measurable and must be shared out. Who will do this?

Core Competencies of BC/ how to make it Yukon?

Gr. 1-9/ 3 educators per grade/ work on what this will look like.

Summer Academy?

.

5. Other Items

Holly presented the New Vision Document/ break- out sessions followed & working groups.
To be continued at the next meeting.*
