MISSION STATEMENT

To educate children in a Catholic learning environment.

Through the sharing of knowledge and Christian values and by celebrating our Catholic faith, students are assisted in developing a personal faith and an understanding and appreciation of self and others. Each child has the opportunity to strive for academic excellence and to reach his or her potential as a life-long learner.

The uniqueness of each child is celebrated.

STATEMENT OF VALUES AND BELIEFS

We believe that parents and guardians, students, teachers, administrators and the Catholic community are the key contributors to Catholic education. All work together for the emotional, intellectual, moral, physical, social and spiritual development of the whole child. Values taught by example empower and support children for a lifetime of learning and participation in their own community and the global community.

These values include
- a strong personal relationship with God,
- love, respect and forgiveness of oneself and others,
- a sense of self-worth,
- critical and creative thinking skills,
- interpersonal skills, and
- witnessing to our faith in the world.
The Catholic Schools of Whitehorse follow this order of priority when accepting students:

Policies of the Roman Catholic Schools of Whitehorse

Admission Policy

All rights and privileges arising out of the Yukon Act, any agreement or understanding between the Commissioner of the Yukon Territory and the Catholic Episcopal Corporation shall be respected and continued under this Act and any regulations passed there under.

While the Roman Catholic school community has an obligation to educate its members, it also extends an invitation to non-Catholics who are in support of the Roman Catholic tradition. Due regard must always be given to the denominational character and integrity of the Roman Catholic schools. Because the Roman Catholic school consists of a thoroughly Roman Catholic pedagogical program, it is reasonable that only students who are prepared to respect this philosophical and pedagogical setting should be admitted. From time to time, because of the need to maintain the Roman Catholic identity of the school, the Roman Catholic school community may need to refuse admission to certain students.

Preamble

Whereas the Roman Catholic schools of Whitehorse exist to serve the educational needs of the Catholic community and have a mandate to offer the Program of Studies outlined by the Yukon Department of Education and to do so within the context of the Roman Catholic Church’s mission to educate the whole person in the name of Jesus Christ; and

Whereas the Yukon Education Act (1990) states that all rights and privileges arising out of the Yukon Act, any agreement or understanding between the commissioner of the Yukon Territory and the Catholic Episcopal Corporation shall be respected and continued;

and

Whereas the Congregation for Catholic Education (1988) declared that the distinctiveness of the Catholic school is its religious dimension, and that this is found in:

- the educational climate;
- the personal development of each student;
- the relationship established between culture and the Gospel;
- the illumination of all knowledge with the light of faith;

and

Whereas the Vatican II documents in the Decree on Ecumenism (Vatican II, Unitatis redintegratio, 21 Nov. 1964) states “Catholics must gladly acknowledge and esteem the truly Christian endowments for our common heritage which are to be found [among other Christian denominations]”; and

Whereas Roman Catholics are urged by the churches teaching in the “Declaration on Relations of the Church to Non-Christian Religions” (Vatican II, Nostra aerae, 28 Oct. 1965) to appreciate the giftedness of other religious traditions; and
Whereas many parents, some of whom are not of the Catholic faith, are seeking an education that includes the spiritual and moral as well as “the intellectual, physical, social, emotional, cultural, and aesthetic potential of all students” (Yukon Education Act, Preamble, 2002).

The Roman Catholic Schools of Whitehorse have the following admission policy.
