

GADZOOSDAA STUDENT RESIDENCE TRANSPORTATION WAIVER

Student Name:	
----------------------	--

On occasion the parents of a student are personally unable to make travel arrangements for their son or daughter and would like to allow their son or daughter to make their own travel arrangements to and from sign-outs. Some students also have their own vehicles.

If you would like to give your son or daughter permission to make their own travel arrangements or if your son or daughter has their own transportation, it is necessary to sign a transportation waiver.

If a student is being transported by another person, that person must come in to the residence and sign-out the student. Students are still expected to indicate to supervisors when leaving the residence for a sign-out (evening or weekend) if they are using their own personal vehicle. Time leaving will be recorded on our sign out sheet so if parents phone they can find out when their son/daughter/ward has left the residence.

I release Gadzoosdaa Student Residence and the Department of Education of any responsibility for my son/daughter/ward while signed out or on route to and from the student residence.

I have read, understand and agree with the above and assume full responsibility for my son/daughter/ward during this period.
